

DOGGY GUIDELINES

Dogs are very welcome at Rose in Vale. However, we do ask that dog owners please adhere to the following guidelines whilst staying with us.

- **Please keep your dog on a lead at all times** both within the hotel building and throughout the hotel grounds. If you wish to let them off the lead, please take them on to the footpath in the woods. If using an extendable lead while in the hotel please keep it short to avoid tripping accidents.
- Dogs are welcome to join you in the Bar and Lounge on a short lead, as long as other guests are happy.
- We regret that dogs cannot be permitted in the Restaurant or swimming pool enclosure.
- Whilst you are welcome to leave your dog in your room whilst dining in our restaurant, please take your dog with you if you leave the hotel premises.
- After your walks, please make sure your dog is not muddy or wet before entering the hotel.
- Please clear up all dog mess and put in the left hand, green wheelie bin at the side of the hotel, to the left of Reception.
- Please keep your dogs off the beds and furniture.
- Please use your own dogs bedding and food.
- Please be aware that you are responsible for any damage caused by your dog and we reserve the right to charge for any damage.

Thank you for your co-operation.

Please see our 'Doggy Days Out' guide in Reception for dog-friendly beaches, pubs, gardens and other attractions
