

Doggy Guidelines

Dogs are very welcome at Rose in Vale and to ensure that everyone has a good stay we do ask all dog owners to adhere to the following guidelines:

Dog beds, food and furniture

Please bring your own dog bedding and food and ensure that your dogs keep off the bed and furniture.

Where your dogs are welcome

Well behaved dogs are welcome everywhere in the public areas of the hotel and grounds as long as other guests are happy. **The only place they are not allowed is the restaurant and pool enclosure.**

Leads

We ask that they are always on a lead and, when using public spaces inside the hotel, on a short lead.

If you wish to let them off the lead, please take them on to the footpath in the woods which is over the other side of the stream.

Leaving your dog in your room

You are welcome to leave your dog in your room whilst dining in our restaurant. At all other times your dog should be with you.

Walks and muddy paws

After your walks, please make sure your dog is not muddy or wet before entering the hotel or your bedroom.

Dog mess

Please clear up all your dog's mess and put it in the left hand, green wheelie bin at the side of the hotel, to the left of reception.

Responsibility

You are responsible for your dog. We reserve the right to charge for any damage caused by your dog.

Thank you for your co-operation.
